

TOOLS FOR SUPERVISORS CURRICULUM MODIFICATIONS: AN INTRODUCTION

YOU'RE ALREADY DOING IT!

Use this checklist to guide your classroom observations. This tool can be used to provide teachers with positive feedback on the types of modifications that they are already using. It can also help determine if certain modifications are being underutilized. This information can clarify if there is a need for additional staff support and resources.

Date: _____ Classroom: _____ Observer: _____

Modification type	Observed examples (include problem and support offered):
Environmental support	
Adapting materials	
Simplifying the activity	
Child preferences	
Special equipment	
Adult support	
Peer support	
Invisible support
