

# HSPPS Support Writing

## Subpart C - Education and Child Development Program Services

### 1302.30 Purpose

All programs must provide high-quality early education and child development services, including for children with disabilities, that promote children's cognitive, social, and emotional growth for latter success in school....

# HSPPS Support Writing

## Subpart C - Education and Child Development Program Services

### 1302.31 (a-d) Teaching and the Learning Environment

A center-based and family child care program must ensure teachers and other relevant staff provide responsive care, effective teaching, and an organized learning environment that promotes healthy development and children's skill growth aligned with the Head Start Early Learning Outcomes Framework: Ages Birth to Five, including for children with disabilities....

# HSPPS Support Language and Culture

## Subpart C – Education and Child Development Program Services

### 1302.36 Tribal language preservation and revitalization

A program that serves American Indian and Alaska Native children may integrate efforts to preserve, revitalize, restore, or maintain the tribal language for these children into program services. Such language preservation and revitalization efforts may include full immersion in the tribal language for the majority of the hours of planned class operations.
