VIDEO REVIEW—INFANTS AND TODDLERS

Directions: Watch the videos *Who's that Baby?* and *Brushing Teeth*. Use this guide to identify examples of key elements adults can use to engage infants and toddlers in meaningful communication and conversation.

Key elements	Examples
Makes sure the child is ready to interact	
Pays attention to the child and responds to cues	
Matches the voice, facial expressions, and mood to the child's	
Copies and then expands on what the child tries to say	
Talks about what the child is interested in or is doing	
Asks questions	
Gives the child time to respond	
Follows the child's lead and watches for cues that the child is tiring
