

Transition Activities: Before, During, and After the Transition at Age Three

Transition Activities Before the Transition at Age Three (Ideally, what are the activities that are needed to create a smooth transition process?)	What is currently in place? What are we already doing?	What else needs to happen to assure smooth transitions in my community? How can we make our ideal system a reality?

Session 9 Handout #5

<p>What else needs to happen to assure smooth transitions in my community? How can we make our ideal system a reality?</p>	
<p>What is currently in place? What are we already doing?</p>	
<p>Transition Activities During the Transition at Age Three (Ideally, what are the activities that are needed to create a smooth transition process?)</p>
