

# Listening to the Teachers

My name is \_\_\_\_\_ and I am \_\_\_\_\_ years old.  
I go to preschool at \_\_\_\_\_.

During school, it is good to listen to the teachers. The teachers help us to learn new things and be safe. Listening makes it easier to learn. The teachers like it when the children listen.

If I have a question, it is OK to ask a teacher or a friend to help me.

When I am at school, I will try and listen when the teacher is talking.
