

# What Can I Do Outside?

My name is \_\_\_\_\_ and I am \_\_\_\_\_ years old.  
I go to preschool at \_\_\_\_\_.

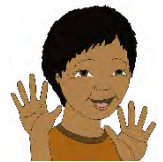

Usually, I get to go outside and play while I am at school.  
Sometimes I get to go outside more than once.

Outside time is fun. I can run and jump. I can talk with a loud voice and make noise when I play. Some of my favorite things to do outside are \_\_\_\_\_ and \_\_\_\_\_.

When I am playing outside, I can get out the extra energy I have after being in the classroom.

After I have played outside, it will be easier for me to be calm in the classroom and learn.

When I am back inside, I will use a quiet voice.

I can talk and play quietly. When I am inside, I need to listen to my teacher and listen to my friends so we can all hear and learn from each other.
