

PBC COACH COMPETENCIES CROSSWALK

The PBC Coach Competencies Crosswalk is a document that aligns the PBC Coach Competencies with resources to support implementation of the competencies. Programs or coaches can use the document to identify resources that may support a coach to implement a specific domain or individual competency or identify which competencies are aligned with the resource. The PBC Coach Competencies can be accessed at <https://eclkc.ohs.acf.hhs.gov/sites/default/files/pdf/pbc-coach-competencies.pdf>.

\*NOTE: Resources for Domain 1: b – e may be program specific as these competencies focus on knowledge of the practices and curricula that differ for programs based on the chosen curricula, program options, and population of children and families served. Resources linked to these competencies are examples.

^Domains 1 & 6 include many common resources. Domain 1: Preparation includes skills related to preparing a coach for coaching work and Domain 6: Professional Development includes the foundational knowledge, ongoing professional learning, and coaching practices expected of a coach. These two domains may overlap as experienced coaches identify gaps in their knowledge and skills.
