Rate the Goal

Teaching Practice Goal
The teaching practice I am working on is: (copy this right off the Needs Assessment)
I use children's names in a positive context.

I will: (describe exactly what you will do if you are implementing this teaching practice)
When I am on the floor with children, I will use each child's name at least once.

Action Steps	Resources Needed	Due Date
My co-teacher and I will remind each other of the goal every morning.		Starting on Monday
I will try to use names in play, not just when I am talking to children about the routines.		Starting on Monday

Prepare to Collect Data
How will you know when you have met your goal? (Remember to focus on implementation of the teaching practice)
I will use each child's name at least once when I play with a child or children.
What data will you collect about implementation of this teaching practice? (Will you record how often you used the practice? What you did? How the children responded?)
The coach will count how many times I use each child's name when I am playing with the children.

16

This Goal is Effective!

- Specific
- Observable
- Measurable
- Achievable

Rate the Goal Achievement Statement

Action Plan
The goal I will work on: I will share specific examples of when the family supports their child's learning during play sessions by responding to their child's communication.

I will know I achieved this when: The family is more confident about their support for their child during play and responding to the child's communication attempts.

Steps to achieve this goal--	Resources needed:	By When:
Remind the parent of one strategy to use during play such as responding to the child every time	Examples to verbally share with the parents	Oct 4
Identify during the interaction at least 3 times the parent responds appropriately to the child and indicate to the parents	Observation notes	Oct 8
Note child response to parents to share with the parent after the interaction.	Observation notes	Oct 8

Review Date:

<input type="checkbox"/> I have achieved this goal by meeting the criteria specified in the goal achievement statement (s) above	<input type="checkbox"/> I am making progress toward this goal and will keep implementing my action plan	<input type="checkbox"/> I need to make changes to my plan to achieve this goal by revising the goal or changing the action steps

18

Goal Achievement Statement Needs to Be Revised

- It is not clear when the goal will be achieved
- Goal Achievement Statement is dependent on parent implementation

I will know I have achieved this goal when I have pointed out (verbally) at least one instance when the parents are doing something to support their child's learning (e.g., asking open-ended questions, providing information, etc.) during a play session.

Rate the Action Steps, Resources, and Timeline

Action Plan
 The goal I will work on: **During transitions between activities, I will give Sam an individual reminder to transition and then show him a picture with another reminder if he doesn't respond to the reminder.**
 I will know I achieved this when: **When I have given Sam an individual verbal reminder to transition and shown him the picture with another verbal reminder (when the individual verbal reminder is not enough to support him to transition) for 80% of transition opportunities for a week.**

Steps to achieve this goal--	Resources needed:	By When:
Create picture cards to use during transitions (clean up, circle, line up)	pictures of Sam	Oct 4
Give Sam a reminder by getting face to face and saying clearly and simply what I want him to do ("Clean up toys")	picture cards	Oct 8
If needed, show him a picture and give another verbal reminder (Show him a picture of him cleaning up toys and say "Clean up toys")	picture cards	Oct 8

Review **Date:** _____
