

Informal Wrap Up

Kelly: All right you guys, so, how do you feel about that? How do you feel like it went? Carmella: Well, you know, I think it went better than I expected. I just... it really was a very scary process, and it's, you know... Kelly: There's so many people around the table, and everything. Carmella: But it's good to know that you're here to field those questions that we have later. Kelly: Great, and definitely through Shauna as well.

Kelly: Yeah! Othniel: Thank you! We appreciate, it, we appreciate it very much!
