

Relationships with Other Children: Video 2

Teacher: Try right here.

Torin: I'm going downstairs to play there.

Teacher: Okay. Is it working? Sorry, Torin. You know, I think you might be right. What do you think, Torin? Do you think that's where that piece goes?

Torin: Yep.

Teacher: Yep. Torin agrees. What do you think he can do to get it to fit better? You think you can help him, maybe?

Torin: Yeah, I think I can.

Teacher: Say, "Argus, I can help you."

Torin: Argus, I can help you.

Teacher: Look. Look, Torin will help you. See? Just like that. I think this piece is a little funny 'cause it has that tape on it. There you go. Very nice matching the colors, Argus.

Torin: Where's this?

Teacher: Hmm. I don't know.
