

ELOF2GO Intro

Announcer: Introducing the ELOF2GO app. It's a mobile solution for teachers who want to access and learn more about the Head Start Early Learning Outcomes Framework. The app provides on-the-go access to the ELOF goals for children and effective teaching practices in support of those goals.

Navigate through the content by choosing age groups birth to 5. Take a quiz on domain-specific teaching practices. They're based on stories from the field. Designed to be used by teachers, family child-care providers, and home visitors.

Download for free via Google Play or the App Store.
