Announcer: Interested in professional development, but want to do it on your own time? At home, on the go, even on a coffee break. Check out the IPD — the Individualized Professional Development Portfolio. The IPD offers free online courses that you can explore on your own or with co-workers.

Some of our courses include: the Beginning Teacher Series for Preschool, the Home Visitor E-institute Leave the Bag Challenge, Baby Talks, Practice-based Coaching, and Coordinating Comprehensive Services. All IPD modules offer CEUs — or certificates of completion — so you'll get credit for participating.

It's online learning on the go, provided by the Office of Head Start.

Join the over 3,500 users by logging in with or creating your ECLKC account to get started.
